2. (Internal Use Only - PLC) LIAISON Following a discussion with [redacted] OGC, I called Elliot Maxwell, Senate Select Committee on Intelligence staff, and informed him that the Office of Security had no objection to the latest change to the Nondisclosure Agreement which we discussed at yesterday's meeting. Elliot did not contemplate any problems with the Committee members on the versions of the Nondisclosure Agreement and the Memorandum of Understanding as now drafted. It was agreed that we would forward both papers, after the Director signs, to the Committee for the signature of the Chairman and the Vice Chairman.
